

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please do not allow this to happen. Americans need to have the opportunity to hear as many different views as possible. By allowing corporations to decide what we will watch is not what America is about.
